ajay.gonepuri21@vit.edu ◇ [linked.in](#) ◇ [codechef](#)

EDUCATION

Bachelor of Technology, Vishwakarma Institute of Technology
CGPA: 8.8

2021- 2025

MHT CET

Percentile: 98.78

XII(CBSE), Kendriya Vidyalaya
Percentage: 92.3

2020- 2021

CLUB EXPERIENCE

Blockchain

Computer Society of India

2022-2023

Vishwakarma Institute of Technology

- Developed Decentralized Exchange Platform ,CSIDex
- Learned: Reactjs frontend developmment,Decentralized finance,and working of smart contracts and their interaction with forntend.

PROJECTS

Touris Guide.

- Android application to guide tourists for tourism.
- Learnings : Android Development ,Firebase ,and API Integration(Google maps api used in project)

Attendance using Facial Recognition.

- Autonomatic Attendance Recording python based application for fast, and accurate attendace recording and management
- Learnings : Python numphy, Pre-trained facial Recogniton libraries of python, Python Database management

Decentralized Personal Health Record Application.

- Built a web application to act as frontend for adding and managing patients and hospitals authority data securely.
- Learnings : Web Technologies, Blockchain working, Ethereum Smart Contracts

ACHIEVEMENTS

- 2star codechef
- top 600 in Credit suisse global coding challenge
- top 300 in newton monthly challenge

SKILLS

Programming Languages

Core Java, C/C++, Python, JavaScript

Web Technologies

HTML, CSS,Bootstrap ,TypeScript, React framework, EtherJs

Moblie Applicaiton Technologies

Android Studio, Firebase, ReactNative

Database Management Systems

SQL, Python, R

Source Control Management

Git, Github
